One bee. A whole identity.

CHARACTER STYLE SHEET

THE CHARACTER

HONEYCOMB WINGS / PIXEL SCREEN FACE

Warm. Curious. Confident.

The accepted SWARM bee, with a precise screen bezel, tiny warm status lights and a compact hexagonal core. Keep the friendly shape and let the engineering stay subtle.

832 raised screen pixels

SIDE

BACK

02 / THE SCREEN IS THE FACE

Keep the SWARM signature.

Exact three-part mark. Honey above, orange below. Preserve the silhouette, negative space and visible tile gaps.

PIXELS Raised geometry, small warm light and a dark screen. Each tile stays distinct, even during the zoom.

DETAILS Graphite housing, metallic edge, translucent wings. Avoid cold neon, human eyes and heavy armor.

03 / CORE PALETTE

WARM BLACK	SWARM ORANGE	HONEY	CREAM
#0A0908	#FF8A1F	#FFB020	#F5EFE4

MOTION Gentle hover. Responsive wing motion. Screen light before logo release. Preserve pixel gaps. Respect Pause and reduced motion.
